Re: Professional Recommendation for Mr. Shivan Alhussein

To Whom It May Concern,

I am pleased to provide this recommendation regarding Mr. Shivan Alhussein and his professional support in connection with business entity formation, corporate structuring, and startup related legal coordination matters.

Mr. Alhussein assists with business entity matters involving LLC and corporation formation, ownership structuring considerations, operating agreements, governance related support, business document drafting, client communications, and administrative coordination for entrepreneurs and businesses seeking legally sound operational foundations. His work includes supporting business owners through formation related processes, assisting with business documentation, and helping clients navigate corporate organization and business related matters.

While working with The Hilton Law Firm, PLLC, Mr. Alhussein communicates exceptionally well with our firm's clients and consistently demonstrates professionalism, kindness, and strong attention to detail. He has a natural ability to make clients feel protected, valued, and supported during what are often stressful legal and business matters. Clients regularly appreciate his responsiveness, professionalism, and willingness to ensure they feel informed and supported throughout the process.

Mr. Alhussein follows up with clients in a timely and organized manner and works diligently to ensure that matters continue progressing efficiently and that important details are not overlooked. His commitment to communication and client service has been valuable to our firm's operations.

THE
HILTON LAW FIRM, PLLC

I cannot recommend Mr. Alhussein highly enough for entrepreneurs and businesses seeking assistance with LLC and corporation formation, business reinstatement matters, business document drafting, and ongoing legal coordination for commercial matters.

Sincerely,

/s/ Shawuki G. Hilton
